About the role

Working closely with experienced Partners, you will be given the opportunity to progress quickly and work on large and complex jobs.

Some of your duties will include:

- Assist the Management team with planning of the audit process
- Be the point of contact for the Firm on site with clients
- Completing field work and analysing financial information
- Conducting relevant research to understand clients business and risk areas
- Assist with the preparation of financial reports

Qualifications and Experience

- University degree from prominent university in Accounting with a min. GPA of 3.00
- Minimum of 2 years working experience in audit
- Solid knowledge of accounting, auditing, and tax
- A team player who takes initiatives, is flexible, eager to learn and critical minded, but also capable of taking independent decisions
- Willing to travel
- Fluency in English
- Computer literacy
- Must possess good communication and problem solving skills
- Applicants must be able to work independently and in a team, be willing to take the initiative, work under pressure and with a variety of people and organisations

Location

Jakarta, Indonesia

If you are interested in applying for this career-promising opportunity, please forward CV with cover letter to revano@hananta.com

Only candidates with resumes reflecting above attributes will be shortlisted and contacted for interviews.
